

## EVESHAM CONTROL ARRANGEMENTS - IMPORTANT

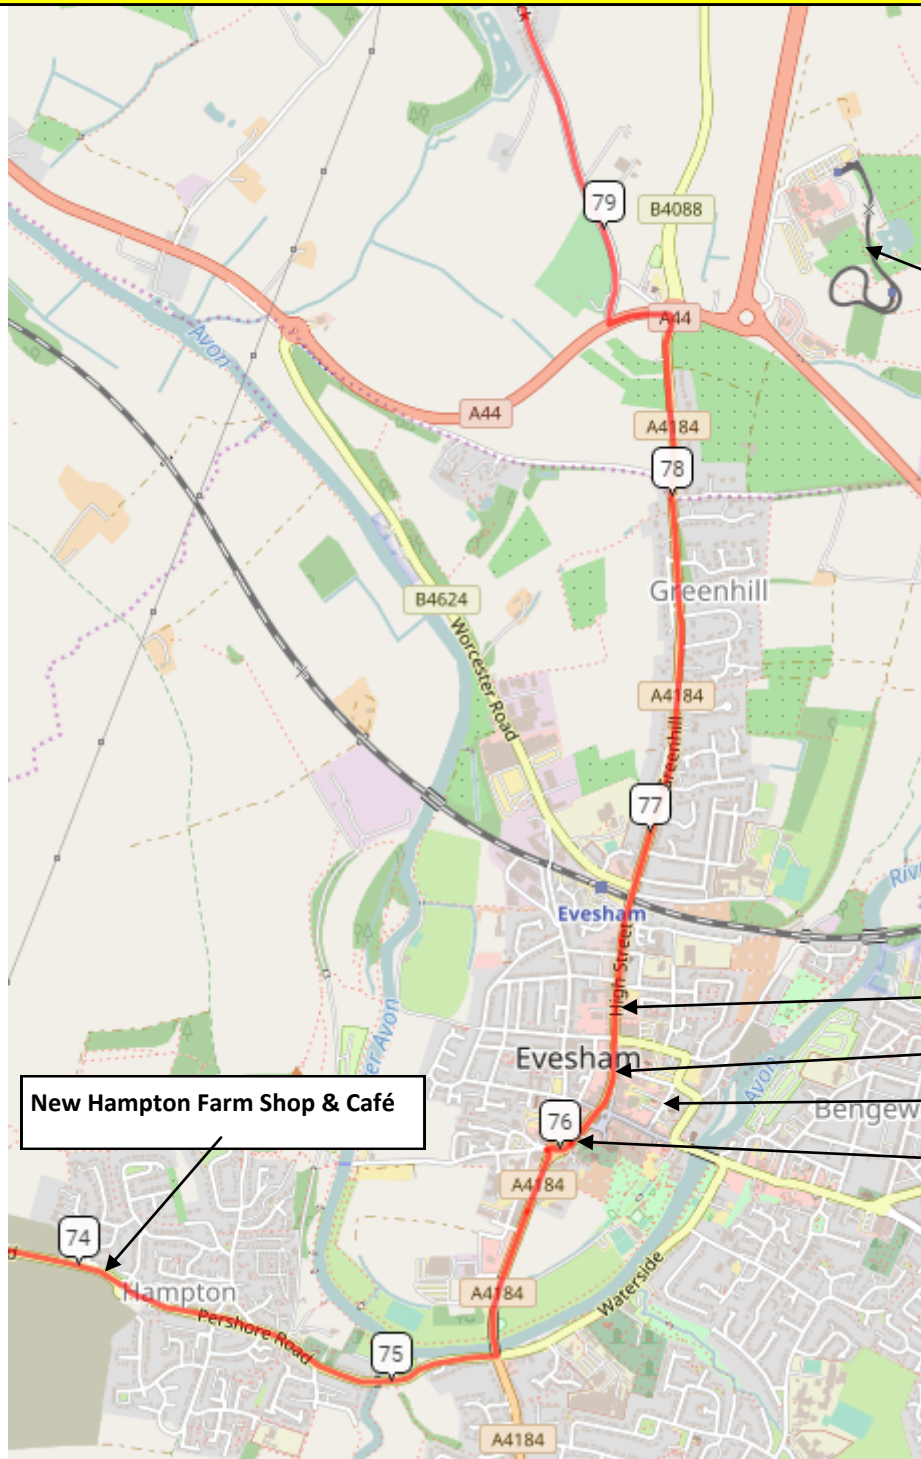

Due to a fire closing our control at Hampton Ferry, we no longer have suitably sized single café at short notice. Therefore Evesham will be a *'free control'* without somebody registering your arrival. A map of alternative cafés in Evesham are shown below. Café locks are advised to secure your bikes.

You will need to provide a **'proof of passage'** to ensure your ride is valid. For **'proof'** please do any one of the following:

- Take a **'selfie'** in Evesham or a picture of the café menu, or;
- Obtain a **café receipt, shop or ATM receipt for your brevet card.**

Then provide your proof of passage to the controller back at GHQ Hartlebury. Sorry for the sudden change in situation and any inconvenience.

Upton Stables Café Control may be placed under extra pressure, if too busy the other cafes are to be found in Upton plus some en-route at Croome Park (just off route– follow brown signs) & Revills Farm Shop, west of Defford. **At Upton you will still need to be signed in with the controller as per usual.**

### Evesham Valley Park (just off route)

- Carrot Café (recommended)
- Fig & Favour
- Garden Centre cafe

### Evesham Town Centre

- Brew Bear Coffee Shop
- Butlers
- Herbies
- Word & Mouth Cafe
