GENERAL NOTES:

1. In the context of any Beacon award based on performance in an event where club affiliation is recorded (e.g. a road race, track race, time trial or AUK event), eligibility is limited to members and Vice-Presidents participating in the club's name, i.e. with 'Beacon RCC' named as the member's (primary) club in the event documentation, or in the membership records of the relevant governing body, or the equivalent.
2. The term 'member' applies exclusively to a person recorded in the club's membership database as a current member or Vice-President at the time of the counting performance or activity.
3. If a club official responsible for deciding the recipient of a trophy is a claimant for that trophy, another suitably knowledgeable member of the Club Committee will deputise for the official in the decision-making process, except where the decision is based entirely on publicly available quantitative data.
3. If a post mentioned above, e.g. 'Road Racing Secretary', is vacant or moribund when action is required, the Club Committee will ask another club official in a related field to stand in for the named official.
