Italian. . . . .	Enzo Mannari	Beacon R.C.C.

This weekend is the first occasion a World Cyclo Cross Champion has raced in Great Britain, and we are delighted that RENATO LONGO should be the first to do so.

Champion of Italy in 1959, 1960 and 1962, Champion of the World in 1960 and 1962, although this is Sig. Longo's first visit to England he is an old friend of our International Teams, following their visits to the World Championships and Grands Prix Martinis.

We hope that the joint engagement with the British Cyclo Cross Association of this great rider and personality, will help encourage the sport of cyclo cross, and perhaps, make a small contribution to the friendship of the peoples of the two countries. We are hoping to see many Italian people here today, and we hope everyone present will have an enjoyable day's sport.

Mai un Campione Del Mondo Di Ciclo Cross ha competuto in Gran Bretagna Prima Di Questo Week-End e noi siamo felicissimi che RENATO LONGO sia il primo a fare così.

Campione D'Italia nel 1959, 1960 e 1962. Campione Del Mondo nel 1960 e 1962. Sebbene questa sia la prima visita di Longo in questa nazione, egli è un vecchio conoscente delle squadre Inglesi incontrate ai Campionati Mondiali ed ai Gran Premio Martini.

Porgiamo il nostro benvenuto a tutti gli Italiani venuti ad assistere alla nostra gara di Ciclo-Cross e vi auguriamo di passare una piacevole mattinata sportiva. Ci auguriamo anche che la nostragara incoraggi lo sviluppo del ciclismo campestre e, forse, apportare un piccolo contributo alla amicizia dei nostri due paesi.

I nostri migliori auguri a tutti.
